CURRICULUM FRAMEWORK OUTLINE**

SUBJECT: Music

COURSE TITLE: Instrumental Music

GRADE LEVEL: Grade 7

PREREQUISITES: Successful completion of 6th grade band or by approval of director

COURSE DESCRIPTION: Students in seventh grade instrumental music continue to refine musical skills on wind and percussion instruments. Group and individual learning opportunities in band include concert band and lessons. The band and individuals perform at concerts and contests. With concert band and lessons as the core of the program, involvement fosters individual responsibility, accountability and teamwork. Many learning objectives for the seventh-grade band student are similar to those of a sixth grader, but should be achieved with increasing proficiency and fluency, even as the difficulty level of the literature studied/skills taught increases. Band instruction for each student totals 105-157 minutes of instruction per week (90-135 minutes in rehearsal depending on the Wednesday schedule, 15 minutes in individual lesson or 22 minutes in a group lesson), during the school day.
