Mission Statement

Teaching All—Reaching All

Vision Statement

UHS will change the world!

Educational Equity Statement

No student enrolled in the Urbandale Community School District shall be excluded from participation in, be denied the benefits of, or be subjected to discrimination in the District's programs on the basis of race, color, creed, sex, religion, marital status (for program), ethnic background, national origin, disability, sexual orientation, gender identity, age (for employment) or socio-economic background (for program). The policy of the District shall be to provide educational programs and opportunities for students as needed on the basis of individual interests, values, abilities and potential.

There is a grievance procedure for processing complaints of discrimination. If you have questions or a grievance related to this policy please contact the district office at 11152 Aurora Ave, Urbandale, IA or call 515.457.5000. The district's Equity Coordinators are Dr. Keri Schlueter, Coordinator of Student Services, schlueterk@urbandaleschools.com, Mark Lane, Director of Human Resources, lanem@urbandaleschools.com, and Crista Carlile, Director of Teaching and Learning, carlilec@urbandaleschools.com.

ABUSE OF STUDENTS BY DISTRICT PERSONNEL

It is the policy of the Urbandale Community School District that school employees and volunteers not commit acts of physical and sexual abuse, including inappropriate and intentional sexual behavior towards students.

It is the policy of the District to respond to allegations of abuse by school employees or volunteers by investigation or arranging for the full investigation of any allegations, and to do so in a reasonably prudent manner.

Anyone believing that a student has been abused by a District employee or volunteer may report the abuse to their building principal, each of who has been designated as the District Level-One investigator in their building, or to the Superintendent (515-457-5000).

The entire policy on abuse of students by District personnel is defined in Board Policy and is available in the Administration Office, each school building office, and on the website at: www.urbandaschools.com/policies/ (Note: This link connects you to the **Board Policy Library** where you can search by topic or policy number for a specific policy.)

See Board Policy 519 - Investigating Allegations of Abuse of Students by School Personnel.

See Board Policy 634 Exh A - Assessment Program .

IN-SCHOOL SUSPENSION (ISS) AND DETENTION

An administrator/designee may assign a student to the Alternative Education Setting or detention as a consequence for violating the Urbandale High School's Code of Conduct. Students assigned to ISS or detention are expected to follow the following guidelines:

1. Bring all supplies and materials.
2. Be on time.
3. Study independently.
4. Remain in seat.
5. Display a cooperative attitude. Insubordination would result in OSS.
6. No electronic device allowed, including cell phones. A laptop will be provided for schoolwork. If it is being used for things other than schoolwork, it will be rescinded.

Upon finishing classroom assignments, the student may read other appropriate materials. Be prepared and bring additional reading materials. Students assigned to ISS are required to eat lunch in the ISS room. Students should bring a sack lunch or money to order a regular hot lunch from the Commons. ISS students do not have the opportunity to participate in activities during the school day. Students may participate in curricular or extracurricular activities outside of the regular school day a student is assigned to ISS or detention.

APPEAL PROCEDURES

An appeal of a decision on the status of an absence or disciplinary action should be made to the principal, then the Superintendent, in accordance with Board policy regarding complaint procedures.

ATTENDANCE & PUNCTUALITY

Attendance

Regular and punctual patterns of attendance will be expected of each student enrolled in the Urbandale Community School District. Students should strive to maintain a good attendance record because there is a direct correlation between attendance and academic success in school. It is recognized that absence from school may be necessary under certain conditions. However, every effort should be made by students, parents, guardians, teachers, and administrators/designee to keep absences and tardiness to a minimum. Frequent absences of students from classroom learning experiences disrupt the continuity of the instructional process. The school cannot teach students who are not present on a daily basis. Parents/guardians and students are strongly advised to limit absences to cases of emergencies, illness, doctor and dental appointments, occasional family trips, or a death in the family. Students who are absent from school without the knowledge and consent of the parents/guardian and the administration, or students who leave school during any session without the consent of the principal, shall always be considered unexcused or truant. Even though parents/guardians may excuse a student, the administration has the final authority in determining if an absence is excused or unexcused. Every effort will be made to work with the parents/or guardians. See Board Policy 508-Attendance Requirements.

REPORTING OF AN ABSENCE

When a student must be absent from school, a parent/guardian must:

1. Phone the Urbandale High School attendance line before 7:50 a.m. of the day the student is absent.
2. The parent/guardian should give the following information when calling; their name, the student's name, hours of absence and reason for the absence.
3. A 24-hour answering service is provided. The number is (515) 457-6805.

The administration/designee will consider the following as valid/excused reasons for being absent:

1. Illness.
2. Illness or death in the immediate family.
3. Medical, dental, or other, appointments which cannot be made at other times.
4. Absences approved in advance with high school administration/designee (job interviews, college visitations, religious holidays, vacations, etc.). Students will not be excused from learning center or lunch unless the parent/guardian indicates a valid reason for the absence.

Notification after the absence will not change the status of the unexcused absence unless special circumstances arise.

The administration/designee will make the final determination of whether an absence is excused or unexcused.

Beliefs: Students are expected to attend classes regularly and to be on time in order for them to receive the maximum benefits from the educational program, to develop habits of punctuality, self-discipline and responsibility, and to assist in minimizing disruptions to the educational environment. It is the Board of

Director's belief that students who have regular and responsible attendance are more likely to enjoy school to a greater degree and to benefit more fully from the educational program.

Responsibility: It shall be the responsibility of the students and their parents and guardians to cause students to attend school regularly and in accordance with this policy and with administrative rules and regulations.

Attendance for Entire Time: The Board of Directors requires attendance of all regularly enrolled students for the entire time when schools are in session during the regular school year, provided that students may be excused from attendance pursuant to policies and rules of the Board and the administration/designee.

Excused Absences: Students may be excused from attendance for reasons of personal illness, death or illness in the student's family, medical and business appointments which cannot be scheduled outside of school hours, and for other reasons which can be justified from an educational standpoint and for which approval is given by the student's parents or guardians and by the administration/designee. Parents and guardians shall verify parental consent to the absence by telephone.

Unexcused Absences: Any absences from school or a class which are not approved by the parents or guardians and by the administration/designee shall be treated as unexcused absences, and the student shall be subject to discipline.

Make-Up Work: All work missed due to absences, excused or unexcused, shall be made up with credit. A reasonable date for make-up work will be determined by the teacher. If the work is not completed in a timely fashion, the student will receive a "0" for the work.

Punctuality: Students are expected to be in classes and activities on time.

Administrative Rules: The administration shall adopt rules to implement this policy, with input from staff members, students, parents and community members. The administration shall annually communicate the rules to staff, students and parents.

See [Board Policy 508 - Attendance Requirements](#).

CELL PHONE / ELECTRONIC EQUIPMENT ETIQUETTE AT UHS

Urbandale High School recognizes the important role that cell phones/electronic equipment have attained in modern society. That's why UHS maintains a flexible approach to the use of cell phones and electronic equipment. It's also important to realize that even though cell phones/ electronic equipment is wonderful for convenience, learning, and entertainment, use of cell phones/electronic equipment at Urbandale High School is a privilege and not a right protected by the Constitution or case law. With that disposition, students, staff, and parents have collaborated to create appropriate cell phone/electronic equipment etiquette for cell phone/electronic equipment use at Urbandale High School.

Urbandale High School will be proactive by recognizing the value of cell phones/electronic equipment to families and their efforts to communicate. As well, we know that cell phones/electronic equipment can be

used as valuable tools for learning. In return, it is our hope that students and parents recognize that there are components of cell phone/electronic equipment use that can distract from learning and that, in fact, inappropriate cell phone/electronic equipment use can lead to disruptions in school and can even be a safety risk for students. Hence, we have agreed on the following guidelines and supports for appropriate cell phone/electronic equipment etiquette at UHS:

Students are allowed to utilize cell phones and other electronic equipment before and after school, during passing time and during their lunch period. UHS reserves the right to protect instructional time from interruptions caused by cell phones and electronic devices; this includes in hallways, restrooms, and other parts of the building when a student is expected to be in one of his/her classes.

It is the responsibility of individual classroom teachers to discuss with students cell phone/electronic equipment etiquette and safety and to develop and communicate their classroom policies for use of cell phones/electronic equipment during class time. Part of this communication will be that each classroom will have guidelines posted for when cell phones can be used and when they should be put away. It should be crystal clear to all, students, teachers, and parents when phones are allowed in each classroom and when they are not. As well, staff are encouraged to remind students regularly about cell phone/electronic equipment etiquette and when etiquette allows students use of cell phones/electronic equipment during class time. Cell phone/electronic equipment use is not allowed in the halls during instructional time unless the student has permission from a teacher or administrator/designee.

Students agree to not use cell phones/electronic equipment for immoral or illegal activity or in ways that will compromise their safety or the safety of others.

Disregard for cell phone/electronic equipment etiquette will accumulate and intervention will be progressive according to the number of documentations a student accumulates. Following are the documentation steps for cell phones/electronic equipment:

1st documentation – warning. Student will be asked to put away his/her cell phone/electronic equipment. Teacher will meet with student away from other students and let the student know that he/she has been warned and that the incident will be documented in PowerSchool. A student may have one warning from each of his teachers. Staff member will document in PowerSchool as Cell Phone/electronic equipment Documentation.

2nd documentation – Student will hand cell phone/electronic equipment over to the teacher. Student can get his/her cell phone/electronic equipment back at the end of class. The staff member should document the incident in PowerSchool as insubordination/disrespect. Parent will be notified by e-mail or phone call.

3rd documentation – Student is required to turn his/her phone/electronic equipment over to the teacher. Phone/electronic equipment will be turned into the office. The student will meet with an administrator/designee. The administrator/designee will contact the parents. Documented in PowerSchool as insubordination/disrespect.

4th documentation – Phone/electronic equipment will be turned into the office. The student can have the phone/electronic equipment back at the end of the school day. Administrator/designee will invite parent(s) in for a meeting to develop an individual cell phone/electronic equipment plan for this student. The incident will be documented in PowerSchool as insubordination/disrespect.

5th documentation - Review of the student's individual plan and consideration for this student to turn his/her cell phone/electronic equipment into the office at the beginning of the school day.

Students who have multiple warnings and documentations from a variety of teachers are demonstrating that they have little regard for cell phone/ electronic equipment etiquette. In those cases, an individual plan and meeting(s) with parents may be needed prior to the 3rd documentation.

The individual plan for repeated difficulty with the cell phone/electronic equipment policy could include the loss of other privileges including but not limited to the following:

Parking Pass

Open Pass

The right to have a cell phone/ electronic equipment in school

If a student is finding it is difficult to maintain cell phone/ electronic equipment etiquette or that his/her cell phone/ electronic equipment is distracting him/her from learning, it is ok to keep cell phones/ electronic equipment locked in their locker and not bring them to class at all.

If a student refuses to turn over a cell phone/ electronic equipment to a teacher, the student will visit with an administrator/designee. A student's refusal to turn over a cell phone or electronic device may count as an immediate second offense of Interfering with teaching and learning.

- Respect others' diversity
- Deal peacefully with anger, insults and disagreements

Responsibility:

- Meet obligations
- Take care of materials
- Exhibit self-control
- Do your personal best
- Be accepting of your task

Fairness:

- Share
- Take turns
- Play by rules

Caring:

- Help others in need
- Be considerate
- Show genuine concern for others
- Do acts of kindness

Citizenship:

- Obey rules and laws
- Work cooperatively (teamwork)
- Be a positive role model (leadership and fellowship)
- Respect Authority

CHEATING

Cheating will not be condoned and will result in grade reduction. Disciplinary action may result.

CODE OF CONDUCT

The Board of Directors believes that there is a minimum standard of conduct, which must be expected of students to maintain a favorable environment for learning. The Board also believes that students must assume the consequences for failing to meet the minimum standards of good conduct. It is the policy of the Board of Directors of the Urbandale Community School District to expect and require responsible behavior of all students in their dealings with school staff members, other students, and visitors in the schools. District staff members, parents, and students are charged with the responsibility to cooperate in developing mature, responsible individuals capable of self-control.

Discipline infractions vary in their degree of seriousness. Therefore, a corresponding degree of latitude will be given to school personnel in administering consequences. The full range of disciplinary sanctions will be considered in each case where prohibited behavior occurs. The actions listed are intended as guidelines.

Saturday School could be used as a precursor to or in lieu of suspensions at an administrator's discretion. Out-of-school suspension will result in loss of all school activities, including all after school activities for the day(s) the suspension is in effect. Out-of school suspension requires a re-entry conference. The full range of disciplinary sanctions may be found in the Board policy book, Code No. 509.7. All guests must be at least high school age. You cannot purchase a ticket for a non-UHS guest the night of the dance.

Once a student leaves the dance they will not be permitted to re-enter.

If students are exhibiting inappropriate dancing, the lights will be turned on for the remainder of the dance.

Before the start of the dance, the administrator/designee on duty will check with the DJ in regards to the music. If any uncensored songs are played, the dance will stop, and the DJ will not be invited back.

HEALTH/ HEALTH RECORDS

An individual student health record will be on file in the student's school health office. Immunizations, health screening information, and required medical information will be a part of the student's health record. Sharing of any medical concerns with the nurse will assist in providing care for the student. This information will be confidential. Teachers working with the student will be notified of any possible medical emergencies. Parents/guardians are asked to notify the nurse of any pertinent health information that occurs during the school year.

Contact information for parents/guardians should be on file for each student. We ask that parents/guardians assist in keeping this information up to date and notify the school of any changes during the school year. The information will be reviewed by the parent/guardian during registration.

Students must meet the current State of Iowa immunization requirements and an acceptable immunization certificate must be on file before the first attendance day. Physical examinations are recommended for all students entering Kindergarten, 4th, 7th, and 10th grade. Students entering kindergarten are required by state law to present a lead screening. ILLNESS AT SCHOOL

Students that are feeling ill will be referred to the health office. If it is determined that your student is too ill to be at school, you will be notified. Students will not be dismissed during the school day without parent/guardian consent. If the parent/guardian is unavailable, the emergency contact may be called. If it is an emergency situation, EMS will be called and the student will be taken to the nearest or preferred hospital.

While most illnesses do not require exclusion from school, there are times when the student should be sent home. Temporary exclusion is recommended when:

- The illness prevents the student from participating comfortably in activities as observed by the school staff.

- The illness results in a greater need for care than the school staff determines they can provide without compromising their ability to care for other students.
- The student has the following conditions, unless a health professional determines the student's condition does not require exclusion.
 - The student appears severely ill; could include lethargy, lack of responsiveness, irritability, persistent crying, difficult breathing, or quickly spreading rash.

Parking for seniors is designated by the blue lines in the parking lot. Seniors will be provided a parking permit to park in those spots:

- It is important that no other students park in the spots designated by the blue lines. Any student who is not a senior who chooses to park in the spots designated by the blue lines prior to 3:30 PM will be subject to violation guidelines stated above.
- It is important that a car driven by a senior and parked in the spots designated by the blue lines has a UHS senior parking permit displayed. Any senior who parks in the spots designated by the blue lines without a parking permit displayed will be subject to violation guidelines stated above.

There are 150 spots devoted to senior parking. If a senior with a permit does not arrive early enough to park in the spots designated by the blue lines, he/she can park anywhere else in the student parking.

Senior parking is a privilege. Do not share or exchange your passes. Seniors will be provided one pass. If you lose your pass, you can purchase another one for \$20. If any student who is not a senior is found with a pass, it will be confiscated and will not be replaced.

See [Board Policy 448 - Responsibility for Personal Property](#).

RESPONSIBILITY PLAN

Urbandale High School has made a commitment to helping students become critical thinkers and problem solvers. Hence, many discipline referrals will be addressed through a problem solving approach that will allow students to reflect on their behavior, take responsibility for their behavior, and develop a plan for improvement called a Responsibility Plan. Failure to follow the plan can result in replanning or addressing the behavior through the code of conduct. The choice of implementing the Responsibility Plan or addressing a behavior through the Code of Conduct is at the discretion of the administrator/designee. When “bottom line” behavior involving weapons, drugs/alcohol, or fighting are involved, the behavior can be addressed immediately through the code of conduct.

SCHOOL NURSES

School nurses facilitate positive student responses to normal development, promote health and safety, intervene with actual and potential health problems, provide case management services, and actively

collaborate with others to build student and family capacity for adaptation, self-management, self-advocacy, and learning. There is a recognized relationship between health and learning and the role of the school nurse encompasses both health and educational goals.

SCHOOL RESOURCE OFFICER/JUVENILE COURT RESOURCE OFFICER/DARE OFFICER

The District Officers link the police department and the Polk County Juvenile Court, with the school environment, providing services including investigation, information services, interventions, behavior modification programs, safety concern solutions, D.A.R.E., parent contact, truancy, home visits, and communication with the student judicial system. The officers assist the District administrators/designee with attendance, building and grounds concerns including parking and traffic problems, supervision of events, parent communication systems, substance abuse programs, and enforcing city and state laws on school grounds. The Officers serve all schools in the District.

SCHOOL WORK MISSED

School work missed because of an absence must be made up. Assignments given on the day of the absence will be due within three (3) days. If a class is missed for more than one day, the teacher and student will arrange the make-up time. If work is not completed in a timely fashion, no credit will be earned.

If a student is absent for three or more consecutive days, the guidance office (457-6814) will, upon request, gather assignments from staff. This request must be made by 8:30 a.m. and assignments must be picked up between 2:30 and 3:30 p.m. the same day in the guidance office.

School-Related Absence

When participating in a field trip or school related activity, the student must:

1. Obtain a release form from the teacher.
2. Have a parent/guardian sign the form.
3. Make arrangements with teacher(s) to make up work in ADVANCE of absence.

SIGN OUT PROCEDURES

An administrator/designee communicates with parent/guardian regarding these actions. Students must "sign-out" in the office, when leaving the building and "sign-in" when returning.

STUDENT EXPRESSIONS

Students are allowed, indeed encouraged, to express their viewpoints and opinions. However, in order to maintain an appropriate learning environment and to protect the rights of all students, students must express themselves responsibly and appropriately in the school setting. The expression shall not encourage the breaking of laws or school rules, shall not be libelous, or contain obscenity or indecent depictions. Further, the expression must be done at a reasonable time and place, as determined by the administrative staff. Student

The search shall be conducted in a manner, which is reasonably related to the objectives of the search and shall not be excessively intrusive in light of the age and gender of the student and the nature of the infraction. If the student is not present, another adult shall be present and the student shall be notified of the search prior to or as reasonably practicable after the search is conducted. TARDY PROCEDURE

Focus on Learning. The J-Hawk Way

All students are expected to be on time. Students who have no tardies or unexcused absences for 9 weeks will receive a letter of congratulations from the principal.

The following tardy process/system is intended to provide uniformity and consistency for the benefit of our students and demonstrate a unified front to emphasize the importance of student punctuality, self-discipline, and responsibility. Tardies adversely affect the classroom and also disrupt the learning environment for other students. This procedure is to be enforced on a semester basis, for each class.

Tardy is when a student enters the classroom after the bell rings without permission.

1. First documentation: Verbal warning from the teacher. Document in Powerschool.
2. Second documentation: Verbal warning from the teacher. Document in Powerschool.
3. Third documentation. Teacher will contact parent/guardian. Student will be notified of parent contact, and/or the teacher may ask the student to notify the parent of the tardy in the presence of the teacher. Incident will be documented in Powerschool as insubordination.
4. Fourth documentation. Teacher will contact parent/guardian. Student will be notified of parent contact, and/or the teacher may ask the student to notify the parent of the tardy in the presence of the teacher. Incident will be documented in Powerschool as insubordination.
5. Fifth Documentation: Student will be referred to an administrator/designee. Student and administrator/designee develop a written plan for eliminating tardies. Plan should be shared with parents and the teacher of the class where the student continues to arrive late. Incident will be documented in Powerschool as insubordination.
6. Sixth Documentation: Student will be referred to an administrator/designee. The current plan will be reviewed. The plan will be rewritten with the understanding that with another tardy, the student will lose a privilege. Potential privileges include but are not limited to parking privileges, open lunch pass, or the privilege to have their cell phone during the school day.
7. Seventh Documentation: Student will be removed from class until a parent meeting can be held. At the parent meeting, the student's tardy plan will be reviewed. The administrator/designee, the student, the parent and the teacher if available, will devise a plan for the student to return to class. Regaining privileges will be discussed as well as the loss of additional privileges if necessary. The agreed upon plan should be in writing and shared with the parent, the student, the teacher and documented in PowerSchool. The incident should be documented in PowerSchool as insubordination.
8. Future Documentation: A student who is experiencing many tardies is likely having other attendance and behavior issues as well. Any time after a student's 6th overall documented tardy, the administrator/designee can call a meeting to consider the student's placement and additional services and accommodations if necessary.

TESTS

Semester Test: Semester examinations are scheduled at the conclusion of each semester. Students are expected to attend each of the scheduled exams, even if they are failing certain subjects. Administrative approval must be granted if a test is to be taken early.

TEXTBOOK USE

Excessive abuse of textbooks may result in the assessment of a full or partial replacement fee/fine. See [Board Policy 532 - Student Fees; Fee Waivers](#).
