Voice Your Opinion: Urbandale Community School District Facility Planning Survey

The UCSD invites community members to share their preferences for how the district will be structured by taking a brief online survey

URBANDALE, Iowa – September 5, 2013 – The Urbandale Community School District is currently developing a ‘master’ facility plan. An important part of this planning process is receiving feedback from community members regarding preferences for how the district will be structured. The facility planning survey contains eight questions and will likely take less than five minutes to complete. To take the survey, go to: https://www.surveymonkey.com/s/Facility_Planning

Feedback from the community will have a valuable role in helping the district design effective and efficient facilities. The survey will close on Friday, September 13, 2013. The UCSD extends a warm thank you to all participants.

About Urbandale Community School District

The Urbandale Community School District includes portions of Des Moines and Urbandale, Iowa. The district serves over 3,800 students in six elementary schools, one middle school and one comprehensive high school. The Urbandale district supports an increasingly diverse student population where 50 languages are spoken. Building on the existing foundation of excellence in education, Urbandale is transforming education throughout the district. By implementing innovative [Quality/Continual Improvement](#) tools and tactics that create learning environments that more fully engage, challenge and motivate students, Urbandale is taking transformation from theory into practice. Urbandale prepares students for becoming lifelong learners and is a school district that brings learning to life for everyone. To learn more, visit: www.urbandaleschools.com
