

Urbandale Police Department's Safety City 2019

What is it? A week-long summer program for children entering kindergarten in the fall of 2019. They will learn about traffic safety, fire safety, home, playground and other kinds of personal safety in an entertaining, positive environment. To make learning about safety fun we incorporate songs, story books, films, games, and artwork in addition to riding Big Wheels in a mock city setting. We also provide the experience of riding on a school bus to the Urbandale Police and Fire departments for tours. Safety City is taught by Urbandale Police Officers and staff. They are assisted by a team of student helpers.

Who? Children who live in Urbandale and will attend kindergarten in the fall of 2019. This also includes students attending Urbandale non-public schools, and those in Urbandale homeschool programs.
